## Available Ad Spaces

Ad space is available on the Chamber home page in two locations:

- A horizontally scrolling marquee (limited to seven ad spots) directly beneath the latest announcement/event notice;
- A sidebar slide deck (limited to five ad spots) directly to the right of the latest announcement/event notice.

Ad rates, behavior, and specifications are noted below. If you require assistance with your company's web ad or with your business branding, we can refer you to local area graphic designers with expertise in this area. You can provide us with any sized, roughly square-shaped ad and we will scale it down as needed. Please remember that if we scale an existing ad down to the required size, it is possible that some text may become illegible if the original ad is quite large so it's best to start with a smaller ad if possible.

## Ad Rates & Behavior

- Small ad (scrolling marquee): **\$50** for an entire calendar year. Ads are displayed in randomized order, the marquee can be paused or reversed with mouse hover, and there are a maximum of six ads in the marquee.
- Large ad (sidebar slide deck): **\$75** for an entire calendar year. Ads rotate every six seconds, starting slide is randomized, slides can be navigated via a numbered button list, and there are a maximum of four ads in the slide deck.
- Periodic/seasonal ad updates: An existing ad can be updated during the year for an additional fee of **\$25** per update.

Members advertising for the first time will pay a pro-rated amount relative to when their ad is placed (e.g., a member whose marquee ad is posted in August will only pay for the remaining four months of the calendar year or  $\$50 \times 4 / 12 = \$17$ ). Please note that we have a limited number of ad spaces and each space is purchased on a first come, first serve basis.
